Organization: APS Medical Billing

Description of Organization’s Services:

APS Medical Billing is a full service billing and practice management firm, which specializes in the business of pathology. Founded in 1960, APS has grown to service 190 pathology practices and laboratories nationwide. Certified, pathology trained, CPT and ICD9/10 coders begin the revenue cycle by ensuring the most accurate codes are submitted to carriers for consideration. Our proprietary billing system is supported by an in-house team of programmers and is customized for each client we contract with, allowing for billing processes tailored to each client’s unique needs.

APS provides an extensive amount of attention in ensuring all billable cases are submitted for payment and our proprietary contract management system validates each claim is considered at negotiated rates, down to the penny. Tenured practice managers meet regularly with all clients, to review performance and provide meaningful feedback on current performance as well as the ever changing pathology billing environment.
